Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the treasury to the credit of Revenue Deposits in default of which the tenders will be rejected. Tender must be submitted in the prescribed form obtainable in this Office on payment of annas four per copy.

The quantities noted in the abstract are approximate subject to variation during execution and the detail estimate, plan and detailed tender form can be seen in the Office during working hours.

The tenderers should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes such as the sales-tax, etc., payable as per rules or other taxes that are leviable from time to time. Tenders may be quoted for the individual work or for the whole.

In case of any accident to the labour employed the accepted tenderer should pay compensation to the injured as per rules failing which the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender minimum current schedule of rates will be paid for such items. For other items, rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement, and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reason thereto.
